

Milligans Multi-Milk Replacer

Suitable for lambs, kids, calves, fawns, foals, cria, piglets, pups and kittens and other infant animals.

Brand

Milligans Milk Replacers – 0800 STOCKFEED

Intended Use

Animal Milk Replacer, **Not for human consumption**

Product Information

Milligans Multi Milk Replacer is a high quality blend of dairy proteins and is fortified with a vitamin and mineral premix to support the functions of the growing infant animal.

Multi Milk Replacer can be used from day 1 but it is recommended to feed a colostrum powder such as ExcelPlus Colostrum for the first 1-2 days of life to provide the much-needed immunity the baby animal requires for growth and development

Available in 2kg, 5kg, 10kg and 20kg Bags
